And so it is November – the leaves will quickly fade and fall and our run of beautiful temperate fall weather will move into the wet and cold of early winter... are we ready? The snow removal contracts have been signed, the first loads of salt have been delivered, summer patio furniture is being stored, the lawn tractor transforms to a snow blower and we all pull out our 'winter gear'. A reminder to make sure that you have gotten out your winter boots and pay attention – this is the time of year when we aren't yet expecting that slick morning walk, especially for those of us headed out early to take our four-legged friends for the first outing of the day. PLEASE BE CAREFUL.

A BIG WELCOME HOME to our Hillside residents who are settling back into their new home in our brand new – if not fully finished Hillside East building. While the crews will be still be working on the Friendship Center space and doing final punch list items, it will be good to have everyone back under one roof and home where they can settle in for the winter with all of their own things around them. A HUGE thank you to all of our displaced residents for their patience and grace while we worked on this project – it was not easy or comfortable for anyone and they handled it incredibly well all things considered! The Administrative Offices (Martha and Mary Catherine) will be moving up to the new building the week of November 14<sup>th</sup> and then Kenda will have the office in Hillside West to enjoy! The Maintenance Team will also have an office on the second floor of Hillside East – so Jon will have a nice home at Hillside now too!

We are excited to spend the winter planning some great spring projects for both campus' to brighten up and spruce up some of the grounds/planting areas for everyone to enjoy – and continue to think about other great improvements we can make to any part of our campus' that will improve quality of life for any of our current residents and looking forward to our residents of the future.

As always, I am available in my offices \*, by cell phone (which is pretty much surgically attached to my body), by email or smoke signal. I love to hear from residents, families, community members. Happy Thanksgiving to all!

Mary Catherine

## Maintenance Department Notes and News

A gentle reminder that regularly-scheduled on-site working hours for Jon, Maintenance Technician for both Perry Farm Village & Village of Hillside, are:

**Monday – Friday 7:00am-3:30pm.**

If you have a **maintenance-related issue after his normal on-site hours**, you may alert a 24-hour Resident Assistant of this by going to the 2<sup>nd</sup> floor's Terrace Level or via their phone: **526-1500 ext. 4.**

The RA Team may be able to provide some initial guidance with the concern and happy to assist in reaching the appropriate Perry Farm Village Team Member and/or a service provider as needed.

In addition, if you're leasing a unit, your Lessor *may* be the one you would call instead and/or as well. If you are not sure of this, please see Jill in the office.

*Thank you* for making a note of the above information ~ just a little refresher that there is someone here on-site 24 hours a day to reach out to!

Since Perry Farm Village cannot store residents' patio furniture inside over the winter months, we are pleased to offer a safe-and-sound off-site **patio furniture** storage option again this year!

For a nominal fee, PFV will pick up your patio furniture the week of November 7<sup>th</sup> and return it in the spring. There will be a **reservation sign-up sheet** by the office door; reservations due Nov. 7<sup>th</sup>.

## **Owner's Corner for Perry Farm Village Association**

A big thanks to the Owners and Owner's Representatives who participated in the Owner's Forums as a follow up to our Annual Meeting. We were able to share a good bit of historical and current information with folks about the development of Perry Farm Village and where we stand now with the possibilities for future development on the campus to meet changing economic/environmental changes and the changing needs of our current and future residents. As noted in a previous mailing to all Owners – we are now embarking on a 'Visioning' process with the PFVA Board and a group of Owners who stepped forward to participate in that group. We hope to be able to have 4-5 meetings over the next 2 months to really dig into the big questions of WHO and WHAT do we want to be now AND in 10-15 years, and what does the market in our area look like now for us and what do forecasts show us about the market in 10-15 years?

We are trying to do a better job of communicating with our Owners and are attempting to put together a list of email addresses so that we can do a specific PFVA Owner's Update News blast when needed. Also, we have ironed out the kinks in our credit card processing and it is now working quite well – so if you prefer or it is easier to pay your dues/monthly charges via credit card/debit card, please stop into the office for more information.

The next PFVA meeting is November 19<sup>th</sup> at 9 a.m. If you have any issues for the Board please contact either Ken Ostrowski or Mary Catherine Hannah.

## Perry Farm Book Club

Our Perry Farm Book Club would like to thank the manager and volunteers at The Lyric Theatre for the wonderful VIP treatment during our excursion to see the film *A Man Called Ove*. It was a beautiful day and much enjoyed by all.

Our next book in our "read the book, see the movie" series will be ***Babette's Feast***. It was written by Karen Blixen, the same woman who wrote *Out of Africa*. *Babette's Feast* received an Academy Award in 1987. It is a beautiful film and truly a "feast" for the eyes. *Babette's Feast* will be shown at Perry Farm Saturday, December 3<sup>rd</sup> at 6:45pm.

Please join us; all are welcome!

Happy Reading,  
Marni
