Perry Farm Village
A SENIOR LIVING COMMUNITY
A Mission of Presbyterian Villages of Michigan

Look for PVM on:

Another August rolls around ... what a beautiful couple of weeks we have had! Warm weather, sunny skies, crystal clear water and a packed town of guests, resorters, visitors, family, and then – bamn all of sudden it will quiet right back down. The last weeks of August are my favorite, when we have all of the benefit of the long evenings, crisp nights and quiet streets.

We are finishing up some of our long awaited tasks at Perry with trimming to soon commence of many of our overgrown plantings, working on the entrance areas the Perry Center and the Apartment wings, and looking towards fall maintenance. At Hillside, Martha has the building exterior looking clean and fresh and lovely – despite being at the end of a construction site!

We look forward to seeing all of our Perry Farm Village Co-Owners at the Annual Meeting on August 17th. We have many great things to report on, financials and updates to review and many new ideas to discuss. As always, our non-owner residents are welcome to attend. We will be setting up a tele-conference line, so if you would like to attend via phone – please contact Mary Catherine in the office for the call-in numbers.

We continue to see progress on our new building at The Village of Hillside – it will be such nice space for our residents, the Friendship Center and community members to utilize. We, and our neighbors, are looking forward to completing that project soon! Please note that we are hosting an Open House and Benediction for the building on August 24th from 10 a.m. to 12:00 noon. Please come and join us and get a sneak peak at the new space!

As always, call or stop to see me.

BE SMART & SAVVY TO PREVENT EXPLOITATION

All too often I hear terrible stories of how a senior has been exploited, sometimes by total strangers and sometimes by relatives, even their own children! So I decided it is time to review some tips for protecting oneself from a potential tragedy. Here are some tips recommended by the Michigan Attorney General's Office:

Be alert to individuals who seem extremely interested in your personal finances.

Do not turn over your checkbook or any other financial affairs to another person unless you have established trust in them. Even so, it is good if possible to have two parties so there are checks and balances. Whenever possible these two parties should be a family member or close friend/ advisor of many years.

Protect important information, such as your social security number and medical information.

Do not give out personal information over the phone or take unsolicited phone calls.

Be aware that fraudsters may have set up a fake website while pretending to be a reputable agency or company. Always call the organization directly rather than taking someone's word for it.

Do not respond to solicitations on the internet. Scammers come from all countries. If someone is really a prince or coming into huge sums of money they do not need your help!

And, most of all, remember:
IF IT SEEMS TOO GOOD TO BE TRUE IT IS!

Be smart! Be savvy!

Birthdays!
